- A reader called and asked, "Where can I find a used wheel machine for tube or bar stock peening?" We referred him to:

Rufus Duff
METALWORKING MACHINERY
328 Babcock
Gibsonia, PA 15044
(412) 625-3181
- From the Philippines, we received a request for information and/or literature concerning application technology of steel grit for roll etching. We searched our library for appropriate information, but found nothing suitable. If a reader has such information to share with other readers and become a part of our library, please send to me, care of The Shot Peener.
- WEDDING BELLS!! Davis Baughman, world renowned expert on shot peening and peen forming is to be married (or has been by publication date). CONGRATULATIONS! Friends may contact Dave at (301) 797-4122.
- On the international scene, a reader writes: "I understand a company in Germany is distributing Almen strips. Does anyone have information on a company named SURFATEC?" Also, "Is there a company in MAERNE, Venice, Italy (MET-ALLURGICA TONIOLO (SP?) S.P.A.) that is a supplier of steel shot? Does anyone have address or phone number?"
