Shot Peening and Blast Cleaning Workshop Expanded for 1998
November 3, 4, 5 in Atlanta, Georgia

THE WORKSHOP

The Electronics Inc. eighth annual workshop will have a new format—we will offer four sessions at once to accommodate more students and provide a greater variety of sessions. Students will be able to pick the times and topics that will benefit them most (as space allows). See the complete list of workshop topics on page 18.

The workshop will be at the Four Points Hotel Atlanta Perimeter. Participants in the workshop will get a group rate of $65 for a single or double room. Make sure that you mention the workshop when you register. Please register for the workshop before you register at the Four Points.

The cost of the workshop is listed below. We offer a discount for multiple attendees from one company to encourage a team approach.

THE TRADE SHOW

Electronics Inc. is sponsoring the 1998 Shot Peening and Blast Cleaning Trade Show in conjunction with the workshop. The trade show is open to all workshop attendees and readers of the three EI newsletters. This show will be a unique opportunity to display and view the products of the shot peening and blast cleaning industry. Exhibit fees are $500 if paid before July 1, $1000 if paid after July 1. Since we are limited to 30 booths, we encourage you to register early.

SHOT PEENING OPERATOR TRAINING CERTIFICATION

Shot peening operator training certification Level I and II will be offered at the workshop. The Level I examination is available to those with prior work experience (minimum of one year) or completion of the workshop. Level II certification requires holding the Level I certification for one year.

Registration for the workshop is limited to 200 students. To reserve a space, return the form on page 23 or call Pam Werner at 1-800-832-5655 or (219)256-5001. Please call Pam to reserve space at the trade show, too. In both cases, payment must accompany registration.
