

Toyo Seiko

Toyo Seiko Receives Plaque for U.S. Patent

Dearborn, Michigan. Jack Champaigne, Electronics Inc., presented Yoshihiro Watanabe, Toyo Seiko, with a plaque to commemorate Mr. Watanabe's U.S. Patent "Cut Wire Type Ferrous Shot For Blasting and a Process of Using a Cut-Wire Type Ferrous Shot for Blasting." Mr. Champaigne gave the plaque to Mr. Watanabe at the 2004 Shot Peening and Blast Cleaning workshop.
