

# The Twelfth International Conference on Shot Peening

The International Scientific Committee for Shot Peening is pleased to share information on the upcoming ICSP-12 in Goslar, Germany on September 15–18, 2014.

## IMPORTANT SUBMISSION DATES

Abstract Submission August 1, 2013  
Paper Submission May 1, 2014

Send abstracts to the Chairperson, Prof. Lothar Wagner, at [lothar.wagner@tu-clausthal.de](mailto:lothar.wagner@tu-clausthal.de).

## PAPER TOPICS

- Mechanical Surface Technologies
- Residual Stress Measurements
- Fatigue Performance
- Case Studies
- Modeling
- Process Parameters
- Corrosion Performance

## REGISTRATION FEE

Registration Fee EUR 780  
(Reduced student fees have not been announced)

Registration fee includes Proceedings, technical program booklet, luncheons, coffee breaks, receptions, conference banquet, exhibit admission, Brocken-Tour with historical train, and Volkswagen Autostadt Wolfsburg.

## LOCATION

The conference will be held at the Hotel der Achtermann in Goslar. Recommended hotel accommodations will be available at [www.shotpeening.org/ICSP-12](http://www.shotpeening.org/ICSP-12).

## CHAIRPERSON

**Prof. Lothar Wagner**, Clausthal University of Technology Institute of Materials Science and Engineering

## ICSP-12 LOCAL COMMITTEE MEMBERS

<b>Prof. Lothar Wagner</b>	<b>Dr. Igor Altenberger</b>
<b>Dr. Bernd Eigenmann</b>	<b>Prof. Gerhard Hirt</b>
<b>Mr. Armin Kiefer</b>	<b>Dr. Mansour Mhaede</b>
<b>Prof. Eckehard Müller</b>	<b>Mr. Holger Polanetzki</b>
<b>Dr. Karsten Röttger</b>	<b>Prof. Volker Schulze</b>
<b>Dr. Manfred Wollmann</b>	<b>Dr. Wolfgang Zinn</b>

*The Town Hall in Goslar, Germany. Goslar is a very beautiful city with impressive historical attractions.*

## INTERNATIONAL SCIENTIFIC COMMITTEE

**Dr. John Cammett**, Consultant, Materials and Surface Integrity, United States  
**Jack Champagne**, President, Electronics Inc., United States  
**Dr. Seong Kyun Cheong**, Seoul National University of Technology, Korea  
**Hali Diep**, The Boeing Company, United States  
**Dr. Bernd Eigenmann**, X-Ray Laboratory Eigenmann, Germany  
**Prof. David Kirk**, Coventry University, United Kingdom  
**Andrew Levers**, Airbus Operations Ltd, United Kingdom  
**Prof. Eckehard Müller**, FH Bochum, Germany  
**Dr. Abbas Niku-Lari**, IITT-International, France  
**Paul Prevey**, Lambda Technologies, United States  
**Prof. Berthold Scholtes**, Universität Kassel, Germany  
**Prof. Volker Schulze**, Universität Karlsruhe (TH), Germany  
**Prof. Katsuji Tosha**, Meiji University, Japan  
**Dr. Akira Tange**, NHK Spring Co., Ltd., Japan  
**Hitoshi Takeda**, Sintokogio Ltd., Japan  
**Dr. Marsha Tufft**, GE Transportation - Aircraft Engines, United States  
**Prof. L. Wagner**, Clausthal University of Technology, Germany  
**Dr. Yoshihiro Watanabe**, Toyo Seiko Co., Ltd., Japan  
**Prof. Helmut Wohlfahrt**, Technische Universität Braunschweig, Germany  
**Dr. Kewei Xu**, Xian Municipal Bureau of Science and Technology, China

## EXHIBITION

Tentatively scheduled to be open three days, from Monday through Wednesday.
